With over 30 years of experience, ZIYA CONCEPT is dedicated to excellence in furniture & upholstery production and interior design. We are proud to operate from the north of Portugal in two industrial units spanning over 10,000 square meters, housing a specialized team focused on working as FF&E developers and manufacturers for all kind of projects.

Our brand offers comprehensive services ranging from interior design, technical drawings, production and project management to logistics and installation

Currently, we are engaged in collaborations with several entities, undertaking projects for hotels, restaurants, and luxury residences across the Iberian Peninsula and international markets. Our work can be found in locations such as the United Arab Emirates, Vietnam, Portugal, Switzerland, and Morocco.

Through our portfolio, we showcase an eclectic selection of completed projects, demonstrating our expertise in furniture & upholstery production.

Our services

Interior Design

We have a creative team of architects and interior designers to develop your concept or assist you with consulting services

Technical Department

We have a specialized team to make all technical drawings or just analyze your files before production

Project Management

Our project managers are responsible to assist you in all the process from the technical drawings to the installation.

Manufacturing

With over 30 years of experience, we are committed to excellence in furniture & upholstery production

Quality Control

At all stages, we are committed to ensuring the accuracy of high quality furniture.

Logistics

Our team guarantees that all pieces are rigorously packed with good materials to ensure the product arrives in the client as they left our facilities

Interior design

Project management

Ziya Concept has an experienced team of architects and interior designers specialized in furniture and project management, dedicated to helping you bring your vision to life.

Furniture & upholstery production

With over 30 years of experience, ZIYA CONCEPT has 10,000 square meters dedicated to excellence in furniture & upholstery production.

Logistics

Our logistics department is strategically located:

- 1 minute from the highway exit;
- 20 minutes from Oporto airport;
- 30 minutes from the seaport of Leixões.

All items are carefully packed using durable materials to ensure that they arrive at their destination in the same condition as when they left our facilities.

From production to installation we have multidisciplinary teams that cover all phases of the project process.
